PLEASE SEE BACK SIDE FOR BRITS STORY

Brittanie Schaefer's journey started on February 3, 2015

Brittanie was heading back to work from lunch at Nori. Upon crossing Illinois Route 157 and Center Grove in Edwardsville, she was involved in a tragic high impact accident.

Due to this accident, at the age of 25, Brittanie's life totally changed. The doctors diagnosed her with severe Diffuse Axonal Injury; they did not give her a high chance of survival and told the family all they had was hope and prayer.

7 months later, this beautiful young independent woman is now in a nursing home. She is not able to communicate, has no muscle strength, and is completely dependent on someone to take complete care of her. She is in a bed for 21 hours each day and does not have a wheelchair for transportation, due to her Insurance not covering the expense of a special wheelchair that she needs or the special bed that will help keep her from getting bedsores.

With your support, we hope to be able to provide Brittanie with the needed items that will give her some comfort and ease her pain. Thank you for any support you can give and please continue to Pray for a MIRACLE.

If you would like to donate an item for the Silent Auction or Raffle please mail to 1012 Plummer Dr. Suite 201 Edwardsville, IL 62025 or contact Ashley Young at 618-978-7886.
